6. Any Other Item

Dr. V.M. Sharma suggested the need for urban underground transport facilities so as to decongest the city roads. So the new executive can organize workshop/seminar on development of metro tunneling and use of underground space for other purposes. He further suggested that society can prepare manuals or guidelines or charts concerning tunneling and thrust areas and these publications can be priced.

Honorary Secretary, presented vote of thanks.

The meeting ended with a vote of thanks to the Chair.

(Hari Dev)

Honorary Secretary
