## Blissful Thoughts

---

- The highest yoga is the control of the mind.  

*- Srimad Bhagvatam*
- Suffering is a form of gratitude to experience, or an opportunity to experience evil, and change it into good.  

*- Saul Bellow*
- We do not content ourselves with the life we have in ourselves, we desire to live in imaginary life in the minds of others, and for this purpose we endeavour to shine.  

*- Pascal*
- Music washes away from the Soul the dust of everyday life.  

*- Bertholel Auerbach*
- Precious gems are profoundly buried in the earth and can only be extracted at the expense of great labour.  

*- Ma Anandmayi*
- If a man wants to cultivate a piece of land, he should apply himself with one pointedness to his task. If he tilts the soil and then changes his mind, or if he sows the seeds and neglects the farm on account of other interests, he will not reap a rich harvest. Yoga is self-culture and is governed by the same laws as agriculture. One pointed attention ultimately yields us the rich harvest of spiritual experiences and self-realization.  

*- Swami Venkatesanand*
- All His glory and beauty come from within, and there He delights to dwell.  

*- Thomas Kempis*
- God is really only another artist. He invented the giraffe, the elephant, and the cat. He has no real style. He just goes on trying other things.  

*- Pablo Picasso*
- The secret of being miserable is to have leisure to bother and whether you are happy or not.  

*- George Bernard Shaw*
- To attain God a man must have certain favourable conditions: the company of holy man, discrimination, and the blessings of a real teacher.  

*- Sri Ramakrishana*
