

Pioneers

This issue of the Journal is dedicated to the following pioneers who have been constant source of inspiration.

When you do the common things in life in an uncommon way, you will command the attention of the world.

- ***George Washington Carver***

How on earth are you ever going to explain in terms of chemistry and physics so important a biological phenomenon as first love ?

- ***Albert Einstein***

Small opportunities are often the beginning of great enterprises.

- ***Demosthenes***

Total quality control is not a fast-acting drug like penicillin, but a slow-acting herbal remedy that will gradually improve a company's constitution if taken over a long period.

- ***Ishikawa***

Depth of friendship does not depend on length of acquaintance.

- ***Rabindranath Tagore***

The gods approve thre depth, and not the tumult, of the soul.

- ***William Shakespeare***

It is the quality of our work which will please God and not the quantity.

- ***Mahatama Gandhi***

I saw the angel in the marble and carved until I set him free.

- ***Michelangelo***

If you don't know what's meant by God, watch a forsythia branch or a lettuce leaf sprout.

- ***Martin Fischer***
