

PIONEERS

This issue of the journal is dedicated to the following pioneers who have been constant source of inspiration:

I believe that the engineer needs primarily the fundamentals of mathematical analysis and sound methods of approximation.

- Von Karman

Nothing in the world is as powerful as an idea whose time has come.

- Victor Hugo

A thing well said will be wit in all languages

- John Dryden

No man is rich enough to buy back his past.

- Oscar Wilde

How far that little candle throws his beams! So shines a good deed in a naughty world.

- William Shakespeare

A university should be a place of light, of liberty, and of learning.

- Benjamin Disraeli

The weak can never forgive. Forgiveness is the attribute of the strong.

- Mahatma Gandhi

A good man is never alone.

- Confucius

Not armies, not nations have advanced the race, but here and there, in the course of ages, an individual has stood up and cast his shadow over the world.

- E. H. Chaplin

Perfection is not attainable. But if we chase perfection, we can catch excellence.

- Vince Lombardi
