

## ***BLISSFULL THOUGHTS***

Consciousness is beauty and creation is an expression of consciousness. Beauty is present in all creation. To be able to perceive truth or beauty in creation, calmness is essential. An agitated mind can neither see the truth nor appreciate beauty. That's why Satyam, Shivam and Sundaram always go together. The whole of creation is nothing but "Waves of Beauty".

***- Sri Sri Ravishankar***

I am plus my surroundings, and if I do not preserve the latter, I do not preserve myself.

***- Quixote***

If you picture Time as a straight line along which we have to travel, then you must picture God as the whole page on which the line is drawn.

***- C.S. Lewis***

Spirituality is the sacred relationship and experience one has with God. It is the beautiful bliss which one experiences when one surrenders to God. The feeling, the connectivity and the experience of realising the presence of a higher power - that for me, is spirituality. To be spiritual is to experience the delight of complete surrender.

***- Ustad Amjad Ali Khan***

A noble deed is a step towards God.

***- J.G. Holland***

There is nothing more dreadful than the habit of doubt. Doubt separates people. It is a poison that disintegrates friendship and breaks up pleasant relations. It is a thorn that irritates and hurts; it is a sword that kills.

***- Lord Buddha***

Man is basically God.

***- Prof. G.C. Nayak***
